Question: What is the gender of the person riding the motorcycle in the image?

LLaVA-1.5: The person riding the motorcycle in the image is a woman.

EMPO (ours): In the image, there is a motorcycle present, but there is no person riding it, so it is not possible to determine the gender of the person who would be riding it. The focus of the image is on the silver and black motorcycle parked on the side of the road.
